

# Towerview care SMITHY BRIDGE COURT

Smithy Bridge Court is a stunning state-of-the-art, new build residential nursing care home for older and working-aged adults living with complex care needs in a vibrant community.

Our home has been designed to meet the needs of people with various complex care needs. These may include mental health needs, neurological disorders, complex behaviours triggered by stress or distress, dementia, and physical, sensory or emotional care needs.

## At the heart of our community

Smithy Bridge Court is situated in the historic town of Littleborough, which sits in the upper Roch Valley by the foothills of the South Pennines, northeast of Rochdale. Our purpose-built nursing home is situated a short drive from Hollingworth Lake. There are excellent public transport links with two train stations within easy reach and good connections to the motorway.

## Modern facilities

Our home is spread over four floors and has lift access which aids accessibility for those with impaired mobility.

Our 51 bedrooms all have ensuite wet rooms that can be adapted with equipment to meet a person's individual needs. Each floor has an accessible, fully equipped assisted bathroom. The 51 bedrooms are split into 6 hubs for between 8 and 11 people, enabling us to provide a cosy and homely feel to our home.

The home has an extensive bespoke sensory garden to cater to varying levels of physical and cognitive ability. Each level has accessibility with spaces for quiet reflection, garden clubs, activities, and events.

The design of our lounges has made the most of the stunning views, with floor-to-ceiling windows that allow uninterrupted views of the surrounding countryside. Although the home is large, with a spacious and bright feel, it has been explicitly designed to have a homely feel with quiet spaces. This gives our ladies and gentlemen that like to socialise a place to spend time together, making friends and entertaining, but when quiet reflection is the order of the day, there are lots of places to sit quietly reading, knitting, watching the wildlife or just catching up with a dear friend with a cuppa. This is home, and just like any home, our ladies and gentlemen live their life here as and when they want, with just a little help from the Towerview Care Family.

## Bespoke services

We are proud to provide a wide range of tailored services, including nursing, occupational therapy, psychology support, speech and language therapy, behavioural specialist therapy, on-site laundry, daily stimulating and meaningful activities and events, end of life care, and community services such as chiropody, psychiatry, GP services and complimentary therapies\*.

## Philosophy of care

Smithy Bridge Court is run by highly qualified multidisciplinary care professionals who provide holistic care to people living with mental health issues, complex behaviours that may be triggered by stress or distress, dementia, physical and emotional care needs.

We believe in focusing on what individuals can do instead of what they can't and celebrating life to the fullest. This philosophy makes Smithy Bridge Court a flourishing, welcoming and happy community.

## Our mission and values

Our mission is to consistently deliver top-quality, person-centred, holistic care for working-age and older adults with mental health issues and complex needs that may require specialist input.
